

TECHNICAL DATA SHEET

1. Product Name

SOY NATUREL STRIPPER

2. Manufacturer

Wood Iron Wood Finishes
10475 Irma Drive, Unit 7
Northglenn, CO 80233-4227

3. Product Description

SOY NATUREL STRIPPER is a soy-based gel paint and finish stripper for wood and brick.

Basic Use: It is designed for use on decks, wood siding, wood fences, wood gazebos, log homes and structures, wood outdoor furniture and brick to remove paint, varnish, urethane, water-based acrylic and other coatings.

Composition and materials: SOY NATUREL STRIPPER contains N-Methyl-2-Pyrrolidone in a soy base. Other ingredients are proprietary.

4. Installation

Before starting, thoroughly wet with water all grass and vegetation adjacent to surfaces being stripped. Cover nearby plants with plastic or drop cloths. Stir SOY NATUREL STRIPPER before use. Apply an even layer 1/8" thick of SOY NATUREL STRIPPER with a brush or sprayer on the surface being stripped. Check the coating with a scraper for softening. If the coating is not softened enough to be removed, leave the stripper on longer and check again every 30 minutes. SOY NATUREL STRIPPER is working as long as it is "wet." Let the stripper work. Once the coating is softened to bare wood or brick, remove with a hot water pressure washer or use a scraper then rinse with Wood Iron Maintenance Cleaner and Brightener to remove oily residue. Stripper can also be removed with fine grit corn cob blasting to remove paint or finish and clean knot holes on logs, then rinsed with Wood Iron Maintenance Cleaner and Brightener to remove oily residue. **CAUTION:** Stripper makes surfaces extremely slippery. Be very careful if walking on the surface being stripped, such as a deck. Avoid walking on surfaces during stripping process.

COVERAGE: Strips 100 to 150 square feet per gallon depending on type of surface and coating being removed.

Follow all directions on the label at all times.

5. Availability and Cost

Availability: SOY NATUREL STRIPPER is available from dealers. Call 1-888-966-3476 for the closest dealer.

Cost: Cost is available from dealers or from the National Distributor at 1-888-966-3476.

6. Warranty

Limited Warranty: Satisfaction is warranted with the application, appearance and performance properties of this product if it is applied correctly in accordance with label directions and at the designated spread rate. Wood Iron Wood Finishes, Inc., makes no other express warranties, in the event the product fails to conform to this warranty. Wood Iron Wood Finishes, Inc. as its sole liability and in lieu of any direct or indirect, incidental, special or consequential damages, will, at your choice, furnish replacement product or refund the purchase price. Labor or costs of labor for the application of any product specifically are excluded. You must supply proof of purchase. This warranty gives you specific legal rights and you may have other rights which vary from state to state. To make a claim under this warranty contact the distributor from whom you purchased the product.
