WHO IS WOOD IRON WOOD FINISHES?

- Frank Satterlee is President of Wood Iron Wood Finishes, Inc. and Prime Line Decorating, Inc., based in Northglenn, Colorado, a suburb of Denver, since 1983.
- Frank and his wife, Judy, have focused on interior custom wood finishing as their primary business since 1990.
- Frank has been recognized by the Painting and Decorating Contractors of America as a knowledgeable and experienced teacher of estimating, business planning, wood finishing and wood restoration for over 20 years.

WHAT IS WOOD IRON GENERATIONS?

- A Tint-Ready Water-Based stain
- Exceptional for staining Infinity EverWood windows

WHY GENERATIONS?

- Perfect Viscosity
- Triple UV Protection
- Scratch and Mar Resistance
- Mold and Mildew Resistance
- Low Odor
- Fast Dry Time
- Applied with Brush or Spray
- No Spontaneous Combustion Potential
- Used to Stain Wood Windows Too
- Pre-mixed Colors available for Production Finishing

WOOD IRON MOBILE MATCH SYSTEM

- Custom On-Site Stain Matching for Customers with New Windows and Trim
- Range of Colorant Concentrates added to Generations Stain as base
- Kits Include everything needed to Custom Blend, Stain and Finish New Windows
- On-Site or Prefinish in the Shop

We offer custom stain-matching clinics as well as on-site consultation for a fee. Our approach to contractors who actually do the stain and finish work is hands on. The goal is to enable a willing student contractor to be able to use what they have learned the very next day on a job. We can walk through the process with them and help things along when they need us.

PREPARATION - Stain Color Matched On-Site with Wood Iron Water-Based Colorants.
STAIN - Dry in one hour. FINISH - Wood Iron Satin Top Coat dry in one hour.
Ready for installation of window coverings.
